Terms and Conditions All purchasers must engage a solicitor/conveyancer for legal advice. Birling reserves the right to refuse any purchase application. An initial deposit of \$2000 is required to reserve a lot for 48 hours. If cancellation occurs before contract signing, a refund is issued. Contracts are issued electronically and must be signed within 48 hours of receipt. Cancellation after signing and before the 10-day cooling off period results in a 0.25% forfeiture of the purchase price. The remaining 5% deposit is due by the end of the cooling off period and becomes non-refundable upon unconditional exchange. Settlement occurs 21 days after lot registration, with the balance of the purchase price and a compliance bond (\$5000 for regular lots, \$10000 for corner lots) due at settlement. The compliance bond is refunded upon meeting the Design & Landscaping requirements. Purchasers are advised to seek legal advice regarding Stamp Duty and other financial implications.
